Dear Mr. Karndfski:

This letter is to bring you up-to-date on the Environmental Protection Agency's plans for the investigation at the Pasco Sanitary Landfill. First, there will be a briefing for the press on Thursday, June 20 at 11:00 a.m., in the Franklin County Commissioner's Office. You are invited to attend. Second, EPA has revised the sampling plan and fact sheet based on comments received at the May 8, 1985, meeting. These revised documents are enclosed for your information. Lastly, the start date for field work is still planned for July 8, 1985. Final arrangements are being made. Please call me if you have any comments or questions on this matter.

Thank-you.

Sincerely,
